My Lucifer is lonely

Standing there, killing time

Can't commit to anything but a crime

Peter's on vacation, an open invitation

Animals, evidence

Pearly gates look more like a picket fence

Once you get inside 'em

Got friends but can't invite them

Hills burn in California

My turn to ignore ya

Don't say I didn't warn ya

All the good girls go to hell

'Cause even God herself has enemies

And once the water starts to rise

And heaven's out of sight

She'll want the devil on her team

My Lucifer is lonely

Look at you needing me

You know I'm not your friend without some greenery

Walk in wearing fetters

Peter should know better

Your cover up is caving in

Man is such a fool

Why are we saving him?

Poisoning themselves now

Begging for our help, wow!

Hills burn in California
My turn to ignore ya
Don't say I didn't warn ya
All the good girls go to hell
'Cause even God herself has enemies
And once the water starts to rise
And heaven's out of sight
She'll want the devil on her team
My Lucifer is lonely
There's nothing left to save now
My god is gonna owe me
There's nothing left to save now
